

Air Force Perspective on International Training

SAF/IAXP Lt Col Erich
Eschenburg

International Training:

~~Enhance Allied/Friendly Air Forces~~

- Professionalism & competency

✧ Total Package Concept/Commitment

- Provide training to support system sales

▣ Access/Influence

- Generate/cultivate Air Force contacts

▣ Bottom line results: Interoperable & Coalition Capable AFs (w/enhanced appreciation for democratic values & role of military)

International Training:

Air Force Goals Perspective

- ✪ Train to Meet Customer's Requirements
 - Tailor training quotas/funds to meet priorities
- ▮ Train to Support Self-Sufficiency
 - Ensure sustainment
- ▮ Train the Right People (esp. with Limited Quotas)
 - Gain access/influence--future leaders

International Training:

Present/Future Challenges

Perspective

- ✦ Improve Processes
 - Enhance communication
- ◻ Maximize Use of Training Resources
 - Especially flight training and limited quota courses
- ◻ Address Customer Concerns/Policy Issues
 - Make changes as appropriate
- ◻ Reach a larger audience
 - Distance learning (quality vs. quantity)
